

APPLY NOW FOR SCHOLARSHIPS

Helminths: New Insights from Immunity to Global Health

December 8–12, 2019

Cape Town, Western Cape, South Africa

Who is Eligible

Students and Postdoctoral Fellows who submit an application, abstract, and mentor letter by the posted deadline date.

Deadline for Application

August 8, 2019

Keystone Symposia Scholarships

Keystone Symposia is offering scholarships of up to 1,200 USD to Students and Post-doctoral fellows. These scholarships are to be used to help defray the expenses associated with conference attendance, including airfare (restrictions may apply based on funding source), ground transportation, lodging costs, and a portion of meeting registration. Receipts will be required to receive reimbursement.

Abstracts submitted for poster presentation will be used as the basis for awarding the scholarships. Scholarship recipients will be selected based on the quality of science of the abstract and the relevance of the abstract to the conference topic. Only one application per abstract is accepted. Only one award per lab will be allocated.
